

Disclaimer Notice to Buyer

The listing information set forth in the Multiple Listing Service concerning the area or square footage of the property or any rooms contained in the property, is obtained from either official government records, such as the County Central Appraisal District of the county in which the property is located, or from another source, such as an appraisal. The North Texas Real Estate Information Systems, Inc., the brokers, and the sales agents involved in marketing the property do not know and cannot reasonably know whether the information is truthful or accurate. Each person who uses such information and intends to rely on such information is strongly advised to confirm all such information to his or her own satisfaction. Such information may not be distributed by a Participant or Subscriber of North Texas Real Estate Information Systems, Inc. to a nonmember without this notice and disclaimer being included.
